58th ANNUAL REPORT.

.....

The Committee have pleasure in presenting their Annual Report and Statement of Accounts.

The number of patients treated during the year has been 58. There have been two deaths, five births, and one case transferred to the Devon and Exeter Hospital. Eight patients were admitted into the Private Ward and fifty into the Public Wards; 112 out-patients also received treatment. Fees amounting to £113 were paid.

Two major and twenty-eight minor operations were performed. Forty X-Ray photographs were taken.

The Committee tender their sincere thanks to the Hon. Consulting Surgeon, the Medical Officers, the Dentist, and also the Sister-in-Charge for the work they have done; to the Clergy of the neighbourhood for their Annual Church Collections and to all those who have assisted in any way towards the maintenance of the Hospital.

Special thanks are also due to the Committee of the Lynton and Lynmouth Pony Show for their further generous donation of £84, to the Lynton Carnival Committee for the very useful contribution from their proceeds, to Miss A. C. Bevan for so

kindly devoting half the profit from her New Year's Eve Ball to the Hospital Funds, and to the Committee of the Brendon and District Agricultural Show for their continued support.

The Committee also wish to record their grateful appreciation to Mr. J. W. Holman for so kindly continuing to pay for the upkeep of the Hospital Gardens. They feel it is not generally known that as well as stocking the gardens with flowers and vegetables, Mr. Holman pays a rent of £5 per annum and very generously allows the produce to be used entirely for the Hospital's benefit.

Receipts by way of subscriptions and donations have dropped rather considerably, and the Income which amounts to £662 : 7 : 11 has decreased correspondingly; expenditure which amounts to £659 : 13 : 4 is however much lower than last year and there is in consequence a balance in hand on the year's working of £2 : 14 : 7. This sum brings the figures on the current account up to £85 : 16 : 10. There is still £200 on deposit account and the Invested Funds are as hitherto, viz.:—£1371 : 15 : 4 India 3½% Stock.

The Contributions to the Hospital Flag amounted to £146 : 7 : 4.

A successful Egg Week was held from April 27th to May 2nd, 1931, and 2902 eggs were collected.

The Hon. Auditors, Messrs. H. Barrett, Son and Taylor, with the assistance of the Hon. Accountant, Mr. E. Doe, have once again very kindly audited the accounts.

Grateful thanks are due to all donors of gifts; to those who gave provisions on Pound Day and during Egg Week and to all who have helped by continuing to take collecting boxes.
